
EDITORIAL BOARD MEMBERS

The quality of any research journal is dependent on the services of a strong Editorial Board and that is certainly true for the *Journal of Career and Technical Education*. The Board has provided guidance to the manuscript review process and the publication of JCTE and the Editors rely on them to provide quality reviews of several manuscripts each year. We express our appreciation to each EB member for their contributions to JCTE.

Patricia Coyle-Rogers, Purdue
University, Chair (2002-04)

Elaine Adams, The University of Georgia
(2002-04)

Steve Aragon, University of Illinois
(2003-05)
