OMEGA—University of Missouri
ALPHA ALPHA—Chaing Mei University, Thailand

EDITORIAL BOARD MEMBERS

The quality of any research journal is dependent on the services of a strong Editorial Board and that is certainly true for the *Journal of Career and Technical Education*. The Board has provided guidance to the manuscript review process and the publication of JCTE and the Editors rely on them to provide quality reviews of several manuscripts each year. We express our appreciation to each EB member for their contributions to JCTE.

Barbara Hagler, Southern Illinois University- Carbondale, Chair (2008-2010)

Elaine Adams, University of Georgia (2009-2011)

Cliff Smith, University of Georgia (2009-2011)
