PROFESSIONAL EXPERIENCE

Scholarship Demonstrator, *The Public Authority for Applied
Education and Training, College of Basic Education,
Department of Educational Technology, Kuwait, August 1994*
• Specific promotion which is allowing me to complete my
Ph.D.

Teacher Assistant, *Department of Curriculum and Instructional
Technology, College of Education, Kuwait University,
Kuwait, Winter 1992 - Summer 1994*

- Designed all class activities, assignments and syllabi
- Lectured Undergraduate Students in Educational Media (how to design and produce Educational Devices)
- Advised how and when to use media in the classroom
- Lectured on the History of Educational Technology
- Trained Undergraduate Students in Educational Technology Techniques
- Assigned and Evaluated students' Educational Media Projects

Manager Assistant of Educational Technology Center, *College of Education, Kuwait University, Kuwait, 1988 - 1994*

- Coordinated and Managed the information flow between the Educational Technology Center and the requirements of the College of Education
- Trained lab assistants how to communicate and assist students
- Managed all educational materials in the College of Education (including computers, TVs, overhead projectors, etc.)
- Developed Educational Technology Library
- Searched and obtained for new Technology for the College of Education
- Coordinated and planned training for the Educational Technology Teachers as to how to effectively use the materials
- Evaluated the Assistants and the Employees of the Educational Technology Center

Researcher, *Educational Research Center, Ministry of Education, Kuwait, 1987 - 1988*

- Assisted case study projects concerned with issues of education, such as questions regarding why students of education would, after graduation, desire a career outside of education
- Interviewed participants by phone and conducted questionnaire mailings
- Conducted analysis of data and reported the findings to the Ministry of Education

Teacher, *Al-Shamiah High School, Kuwait, 1983 - 1985*

- Taught Educational/Vocational Courses (Classes that combined the teaching of Mathematical and Language Arts with the teaching of vocational skills)
- Designed all class activities, assignments and syllabi

Teacher, *Al-Ghazali Elementary School, Al-Shwaik, Kuwait, 1970 - 1977*

- Taught Math and Science courses
- Designed all class activities, assignments and syllabi
- Sponsored Science club and all related activities
- Collaborated with Art, Drama and Music teachers (specifically, I helped design and build stage settings and often played lute to teach music students how to sing)
- Produced graphic designs for various courses

OTHER
WORK
