

List of Tables

Table 2.1	Graphite/epoxy layer material properties	11
Table 2.2	Laminate construction	24
Table 2.3	10% thicker graphite/epoxy layer material properties	38
Table 3.1	Cross-ply laminate construction	62
Table 3.2	Angle-ply laminate construction	82
Table 3.3	Corner displacements comparison between predicted and measured	83
Table 4.1	Composite layer material properties	92
Table 4.2	Boundary conditions	93
Table 4.3	Equivalent inplane properties	93
Table 4.4	Laminate stiffness properties	94
Table 4.5	Summary of key characteristics	205
