

THE ROADBLOCKS OR PROBLEMS Consider

trying to collab/ate is costly,
 maintaining the purity of Reggio within the system,
 to get small enough classes.
 laboratorian does not seem to be an Ave. trait.
 daily SCHEDULE
 negotiating to parents
 opening this revolution a priority for our group.
 bring leadership
 at some people may see it as a fact.
 a word "Revolution"
 School within a school will splinter the BMS
 will be considered elitist / premiere.
 What about Special Ed?
 are we risk more criticism at this school?
 taking certain that everyone feels ownership
 careful of a bit experience with these people
 that I care about.
 writing this ... position paper
 TIME
 is need to find funding.
 finding a way for a fairly large group to be
 productive.
 OL tests
 opening holes in the faculty.
 slow moving reform runs the risk of losing
 momentum
 resistance to change.
