About "Staff Employee of the Week"

The goals of the Staff Employee of the Week program are to provide additional opportunities to recognize staff and enhance university awareness of the staff contributions. The program is coordinated by the Commission on Staff Affairs and Human Resources.

Each year, Human Resources receives approximately 30 to 40 nominations for the President's Award for Excellence. We also receive a number of nominations for the Governor's Awards. The nominations for these two award programs will be used for the weekly staff recognition program.

We will begin highlighting the staff members in October of each year, using the pool of nominees from the proceeding Spring nomination process.

Questions about the program should be sent to Lou Ann Phipps, laphipps@vt.edu or (540) 231-7784, or to the current Chair of the Commission on Staff Affairs.
